Description

Introducing the Copper Hammered and Engraved Tray by Mediterranean-art, a true masterpiece that combines functionality and artistry. These trays boast absolute stability, ensuring a reliable and sturdy foundation for any culinary presentation or decorative arrangement.

Crafted with a special emphasis on quality construction, each tray from this collection reflects the dedication and skill of the artisans at Mediterranean-art. The hammered and engraved detailing adds a touch of elegance and uniqueness to every piece, making them stand out as exceptional works of art.

Every tray is meticulously handmade, showcasing the passion and precision that goes into creating these copper items. The artisanal touch ensures that each piece is one-of-a-kind, a testament to the commitment to craftsmanship and tradition.

Enhance your kitchenware and decorative collection with the Copper Hammered and Engraved Tray. Whether you use it for serving, decorating,

or as a focal point on your fireplace or bar, these trays embody the perfect blend of practicality and artistic flair.
